Please supply external and internal letters, emails and other communications relating to Barnet council not pursuing the judicial review case for the Land adjacent to finchley memorial hospital (20/4343/OUT).

Refusal Notice

R12(5)(b) The course of justice, fair trial or inquiry of a criminal or disciplinary nature

We consider that regulation 12(5)(b) (The course of justice) applies to the information requested because we consider that disclosure of the information requested would adversely affect the course of justice, the ability of a person to receive a fair trial or the ability of a public authority to conduct an inquiry of a criminal or disciplinary nature.

We consider that exemption Legal Professional Advice Privilege applies to this request on the basis that some of the requested information is subject to legal professional privilege as it is communication which contains legal advice for the authority and the communication is made for the sole or dominant purpose of obtaining legal advice.

Factors in favour of disclosing

- Facilitate the accountability and transparency of public authorities for decisions taken
- Facilitate accountability and transparency in the spending of public money
- Interest in the Authority's ability to represent the wider interests in an appropriate manner.

Factors in favour of withholding

There is an initial weighting in favour of maintaining the exception due to the importance of the concept behind Legal Professional Privilege, namely safeguarding the right of any person to obtain free and frank advice which goes to serve the wider administration of justice. It is important that public authorities be allowed to conduct a free exchange of views as to their legal rights and obligations with those advising them without fear of intrusion except in the clearest case. Having weighed the factors both for and against disclosure it is my judgment that the public interest will not be served by disclosing the information requested as detailed above.

Therefore, we have decided to withhold the information.

In applying this exception, we have had to balance the public interest in withholding the information against the interest in favour of disclosure.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
