Thank you for your request received on 17 November 2022, for the following information:

**This is to Barnet Highways and Barnet Parking**

**Under the freedom of information Act I need all the information about when this extension of the CPZ bays in Fitzjohn Avenue was done and a copy of the letter sent to the residents telling them about the extension of the CPZ bays and any maps and photos showing extension**

We have processed this request under the Freedom of Information Act 2000.

**Response**

The council holds the information requested and it is attached/ the answers to your questions are below

***Under the freedom of information Act I need all the information about when this extension of the CPZ bays in Fitzjohn Avenue was done and a copy of the letter sent to the residents telling them about the extension of the CPZ bays and any maps and photos showing extension***

We confirm that the parking bay lines were painted in error. The parking markings were removed using black paint, but it was found that the paint has since worn away over time and now the white parking bay white lines are reappearing.

We will be rectifying this issue and will ensure that the reappearing white lines are burnt off as soon as possible.
