Response

The council holds the information requested and the answers to your questions are below

Please note this data is based on the schools that responded - not all schools completed the question about overall progress.

*** *How many CLA made 'expected progress' at end of Autumn term 2021?***

2021 Autumn term, 110 children had answers to the question about overall progress:

yes - 95 made expected progress, 86.3%

No - 15 didn't make expected progress, 14%

*** *How many CLA made 'expected progress' at end of Autumn term 2022?***

2022 Autumn, unfortunately, this data is not available yet. Personal Education Plans (PEPs) are generally completed in the first half of term, so data for this term would not reflect progress made by the end of the Autumn Term.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
