Response

Since the 27rd February 2022 how many images of prohibited vehicles (over 2.3 metres high) entering or in the east Tesco car park have been submitted to Planning Enforcement Officer Iain Sutherland-Thomas? Please not all images submitted by Trevor Taylor are of vehicles that exceed the height of 2.3metres height.

The LPA currently holds 33 images of vehicles in the car parks at Tesco, Colney Hatch Lane. 30 of these images are focused on single vehicles parked in what appears to be the East (Colney Hatch Lane) car park. Two images are of vehicles attempting to enter via CHL. A single image is of 4 vehicles in what appears to be the West (A406) car park. all images were received by the LPA in 2022

the LPA do not hold details of the height of the vehicles photographed nor does it hold information as to other categorizations of the vehicles. For instance, it does not hold details as to the license required to drive each vehicle.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
