"Requirement 2 You should not carry out any human burials on land which is liable to flooding." [sic]

The land in question is subject to a planning application ref 22/6038/FUL which is live now and so the response is imperative to be able to make an informed and accurate comment.

We have processed this request under the Environmental Information Regulations 2004.

Response

The planning application referred to is for internal works and not for a cemetery, so the matter of an EA permit for internments is not relevant to this planning application.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to

be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
