Stopping up and diverting highways can be made under section 247 of the Town and Country Planning Act 1990. Orders under section 247 will authorise the removal ("stopping-up") and/or the diversion of any highway, in order to enable development to be carried out in accordance with a valid and relevant planning permission, in this case for Estate redevelopment where layout changed or status of highways to be altered.

A copy of the Sealed Order is attached

2 Application forms submitted to change status of road e.g. from private to adopted

Application form and Notice of Making Stopping Order attached.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk
For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
