## **Response**

I am writing to inform you that we have searched our records and although we hold some of the information requested, some of the information you requested is not held by London Borough of Barnet.

We have provided answers to your request below.

***How many public buildings in your council had working smart energy meters installed on the premises?***

For the Council's non-residential operated estate 149 buildings have smart meters installed.

***Please provide the data split by property type***

<b>Service</b>	<b>Buildings</b>
Adult Services	10
Barnet Homes	1

Cemetery	1
Children's Services	13
Estates	9
Greenspaces	34
Libraries	13
Public Toilets	5
Schools	59
<b>Total</b>	<b>149</b>

***If available, please provide the date/year the smart energy meters were installed***

Unfortunately information is not held by the Council.

***If available, please provide any available data on when smart energy meters are planned to be installed on the premises which don't already have them***

The Council continues to work with its energy suppliers and targets its large buildings, & buildings retrofit improvement works are taking place or where meter reading access is proving difficult.

### **Advice and Assistance : Direct Marketing**

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link [www.ico.org.uk](http://www.ico.org.uk)

**For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.**
