Thank you for your request received on 22 December 2022, for the following information:

I would like to know if the exit from the A1 Barnet Road into Borehamwood is covered by the ULEZ extension. Although the Barnet Borough boundary includes the slip road exit from the A1 and your street cleansing duties cover the A5135 to its junction with Rowley Lane, it appears that the ULEZ extension does not incorporate this section of road. This is not entirely clear on the ULEZ map which though as it also suggests that boundaries are coterminous with London Borough boundaries.

We have processed this request under the Freedom of Information Act 2000.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
