Thank you for your request received on 4 January 2023, for the following information:

I am writing under the Freedom of Information Act. I would like to know the following:

Can you please provide a breakdown of how section 106 contributions were spent in the last two years (by which I mean Jan-Dec 2021 and Jan-Dec 2022)?

I would like this breakdown to include:

- How many separate contributions were made in each year**
- How much money was contributed overall**
- How much of each contribution was spent, or is earmarked to be spent, specifically on building houses**
- How much of each contribution was spent elsewhere**
- How much of each contribution has not been spent with no concrete plans as to where it will be allocated**

I would appreciate it if this information could be presented in a spreadsheet format, either in ExCel or Google Sheets.

We have processed this request under the Environmental Information Regulations 2004.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
