Thank you for your request received on 13 February 2023, for the following information:

**Hippodrome Building Golders Green - requested information**

**I am concerned with the well-being of users of the building. Do you have any asbestos reports archived from the previous years before it was sold in the mid 2000's?**

**I have a FM background and would like to look into this.**

We have processed this request under the Freedom of Information Act 2000.

**Response**

This information is not held

Environmental Health Team does not directly hold asbestos building records. If buildings get demolished now they have an asbestos survey pre demolition can be part of the planning process - asbestos building records are held by freeholder and the Health and Safety Executive as they are usually the enforcing authority if construction work is carried out.

The owners of the time would have the building records.

**Further information**

If you are interested in the data that the council holds you may wish to visit Open Barnet, the council's data portal. This brings together all our published datasets and other information of interest on one searchable database for anyone, anywhere to access. <http://open.barnet.gov.uk/>

## **Advice and Assistance : Direct Marketing**

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link [www.ico.org.uk](http://www.ico.org.uk)

**For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.**
