Response

I am writing to inform you that we have searched our records and the information you requested is not held by London Borough of Barnet.

None, Parking Services do not issue fines for Fixed Penalty Notices in relation to idling vehicles. Environmental Health have not formal powers to serve PCN for idling however we do several anti idling days with schools each year to minimise this.

The Scientific Service Team receive very few complaints a year about idling and this data is not captured or collated on any system.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for

direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
