Thank you for your request received on 6 February 2023, for the following information:

This Freedom of Information request is for the attention of the council officers and department that oversees the private rented sector for the council.

The Secretary of State for Levelling Up, Housing and Communities, the Rt Hon Michael Gove has now received your initial response to his letter requesting the council's activity to address damp and mould in the private rented sector following the tragic death of Awaab Ishak in Rochdale.

We understand that the council would now have submitted their full response to the Secretary of State by the 27th January deadline:

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
