Thank you for your request received on 13 February 2023, for the following information:

What is the 'agreed analysis threshold' you refer to that a road needs to meet to require a scheme creation?

And can you explain to me what threshold was met on Hillcrest avenue that appears to have undergone partial pavement resurfacing recently?

I believe as a council tax payer who funds these schemes the criteria and analysis and threshold should all be publicly available.

We have processed this request under the Freedom of Information Act 2000.

Response

The council holds the information requested and it is attached/ the answers to your questions are below

What is the 'agreed analysis threshold' you refer to that a road needs to meet to require a scheme creation?

Scoring principles and guidelines are documented in the Code of Practice 'Well Managed Highway Infrastructure' publication commissioned by the Department for Transport, see report below.

https://barnet.moderngov.co.uk/documents/s69487/Environment%20Committee%20Report%20NRP%20CIL%20Year%208%20040122%20Final_.pdf

And can you explain to me what threshold was met on Hillcrest avenue that appears to have undergone partial pavement resurfacing recently?

Hillcrest Avenue was done as part of the footway patching scheme under the Highway Network Recovery Plan Hillcrest Avenue Footway surface renewal programme 22/23. Where roads aren't mentioned in the Appendix e.g. Farm Road this is because it hasn't scored sufficiently on the list for consideration under the scheme.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
