Thank you for your request received on 27 March 2023, for the following information:

Dear sir/madam

I hope you're well.

I'm writing to make a request under the FOI Act. Please could you tell me whether there are any asylum seekers being accommodated in hotels your local authority area? To be clear, I am not asking you to provide any information that would directly identify, or reveal the specific address or ward area in which asylum seekers are being housed.

I would only like to know whether your local authority area is currently accommodating asylum seekers in a hotel or hotels, or not.

We have processed this request under the Freedom of Information Act 2000.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
