Barnet Council launched an online survey for the Burnt Oak North parking engagement. The attached leaflet was hand delivered to all properties within the engagement area which invited people to share their feedback on any parking concerns they had. The leaflet provided links to FAQs and an interactive map where they were able to pin point the locations of their concerns. As part of the engagement it was advised a paper copy of the questionnaire was available on request. Notices were also placed in busy locations such as car parks and close to shops advising of

the engagement. Key stakeholders were notified by email

***Please can you provide any correspondence that was received from these schools in response to the consultation.***

No responses were received from any of the schools within the engagement area.
