Thank you for your request received on 7 April 2023, for the following information:

### Questions

1. How much did you bid for from HUG? To fund improvements to how many homes?
2. Havering & Sutton: got no funding. Did you bid for some? If not, why?
3. How much was your council awarded? (Of the £12m). To fund improvements to how many homes?
4. Can you provide estimates for how much will be spent on:
  - a) Energy efficiency measures? (Amount and/or proportion). Number of homes/blocks to be fitted.
  - b) Heat Pumps? (Amount and/or proportion). Number of homes/blocks to be fitted.
  - c) Solar panels? (Amount and/or proportion). Number of homes/blocks to be fitted.

### The Mayor of London

5. If you have received any support from the GLA separate to the HUG programme, brief details would be appreciated. (The London Plan enables boroughs to collect Carbon Offset contributions from developers. The Mayor's London Net Zero Updated Pathway of 2022, included the following schemes: Mayor's Energy Efficiency Fund; Green New Deal Fund; Retrofit Accelerator; Local Energy Accelerator; Solar Together London; London Community Energy Fund).

6. If any councils collaborated with other public bodies or housing associations to bulk buy solar panels or heat pumps under HUG it would be useful to get brief details of that. (I assume not)

We have processed this request under the Freedom of Information Act 2000.

### Response

I am writing to advise that Barnet Council does not hold this information as it is held by Barnet Homes.

Housing services (including homelessness, allocations, housing repairs and so forth) are provided by Barnet Homes who are an Arm's Length Management Organisation (ALMO) who manage the council's housing stock and associated services on the council's behalf. They are a public authority under Freedom of Information Act 2000 and so you may make a FOI request to them. Their contact details are:

### **Advice and Assistance : Direct Marketing**

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link [www.ico.org.uk](http://www.ico.org.uk)

**For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.**
