2 Bristol Avenue,
Colindale,
London, NW9 4EW
25 April 2023
Our ref: 9609176

Thank you for your request received on 12 April 2023, for the following information:

Re. Telecom Communications masts in general in the Council's area

Please supply the following information under this request as governed by the Freedom of Information Act:

- 1. The ICNIRP certificates issued for 5G masts in the Council's area.**
- 2. The power output of each antenna in dbm or Watts for each 5G mast in the Council's area and the power intensity drop off calculations supplied by the applicants for any 5G beams emitted from such antennae, since 5G beams do not obey the inverse square law.**
- 3. A copy of the section of the Council's public liability insurance policy showing indemnity cover for any potential personal injury claims which might be brought to the Council in relation to harm caused by wireless pulsed microwave radiation from this 5G technology; it is alleged that a USA telecom company is making provision for such claims in its statutory accounts and wireless technology has the same technical signature worldwide. For example, a 5G technical parameter is beam-forming.**
- 4. The Environmental Impact Assessments conducted by the Council for 5G masts.**

We have processed this request under the Environmental Information Regulations 2004.

Response

- 1. The ICNIRP certificates issued for 5G masts in the Council's area.***

We don't issue the Certificates.

- 2. The power output of each antenna in dbm or Watts for each 5G mast in the Council's area and the power intensity drop off calculations supplied by the applicants for any 5G beams emitted from such antennae, since 5G beams do***

not obey the inverse square law.

Information not held

3. A copy of the section of the Council's public liability insurance policy showing indemnity cover for any potential personal injury claims which might be brought to the Council in relation to harm caused by wireless pulsed microwave radiation from this 5G technology; it is alleged that a USA telecom company is making provision for such claims in its statutory accounts and wireless technology has the same technical signature worldwide. For example, a 5G technical parameter is beam-forming.

The council does not own or operate any.

4. The Environmental Impact Assessments conducted by the Council for 5G masts.

We wouldn't undertake an EIA. An applicant undertakes an EIA if one is required through the legislation.

Further information

If you are interested in the data that the council holds you may wish to visit Open Barnet, the council's data portal. This brings together all our published datasets and other information of interest on one searchable database for anyone, anywhere to access. <http://open.barnet.gov.uk/>

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.

Your rights

If you are unhappy with the way your request for information has been handled, you can request a review within the next 40 working days by writing to the Information

Management Team at: foi@barnet.gov.uk. Or by post to Records & Information Management Service, Assurance Group, London Borough of Barnet, 2 Bristol Avenue, Colindale, NW9 4EW

If, having exhausted our review procedure, you remain dissatisfied with the handling of your request or complaint, you will have a right to appeal to the Information Commissioner at: The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF (telephone: 0303 123 1113; website www.ico.org.uk). There is no charge for making an appeal.
