

Thank you for your request received on 18 April 2023, for the following information:

I would like to request under the Freedom of Information Act, information held by London Borough of Barnet relating to road traffic Fixed Penalty Notices issued by your officers for the financial years 2017-18 to 2022-23 inclusive. In particular, I would like to concentrate on FPNs issued on the basis of ANPR camera systems operated by London Borough of Barnet. An example of such a notice would be a camera covering a boxed junction or a one-way street. I would like to know the total number of FPNs issued by London Borough of Barnet during the period and the number of FPNs issued on the basis of evidence from ANPR camera systems.

I would like a further breakdown of the ANPR figures to show the number of:

- * Yellow Box offences**
- * Illegal left/right turn offences**
- * Entering a Low Traffic Neighbourhood zone**
- * Entering a school street area during a restricted time.**

I would also like locations of the ANPR cameras / locations of the junctions with the number of offences.

I would also like to get data on the number of appeals made by motorists in each category for the period in question and the result.

If London Borough of Barnet operates mobile CCTV cars, I would also like request the number of such vehicles in use, and the number of FPNs issued including the nature of the offence/offence code.

We have processed this request under the Freedom of Information Act 2000.

Response

The council holds the information requested and the answers to your questions are below

Further information

If you are interested in the data that the council holds you may wish to visit Open Barnet, the council's data portal. This brings together all our published datasets and other information of interest on one searchable database for anyone, anywhere to access. <http://open.barnet.gov.uk/>

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.

Your rights

If you are unhappy with the way your request for information has been handled, you can request a review within the next 40 working days by writing to the Information Management Team at: foi@barnet.gov.uk. Or by post to Records & Information Management Service, Assurance Group, London Borough of Barnet, 2 Bristol Avenue, Colindale, NW9 4EW

If, having exhausted our review procedure, you remain dissatisfied with the handling of your request or complaint, you will have a right to appeal to the Information Commissioner at: The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF (telephone: 0303 123 1113; website www.ico.org.uk). There is no charge for making an appeal.
