I have noticed that my regular basketball court at Mill Hill Park next to the tennis courts has been gated off.

I assume that it is undergoing refurbishment.

Please could you inform me of the refurbishment plans to the court.

1) Whether the asphalt is being replaced and details of what material is being used for the ground.

2) Whether the basketball hoops are being replaced and details of their height.

3) Whether the court lines are being repainted and dimensions of the new lines, if available.

Thank you in advance.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
