Despite routinely carrying out important and vital work to support their communities, local councils are facing significant funding challenges.

We are carrying out a Freedom of Information request to try and ascertain the scale of the funding challenge that local councils are facing in the medium-term future. Please can you answer the following questions:

- 1. What is your current predicted funding gap by the end of the financial year 2024/25?**
- 2. What is your current predicted cumulative funding gap by the end of the financial year 2025/26?**

We have processed this request under the Freedom of Information Act 2000.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.

Your rights

If you are unhappy with the way your request for information has been handled, you can request a review within the next 40 working days by writing to the Information Management Team at: foi@barnet.gov.uk. There is no charge for making an appeal.
