Thank you for your request received on 18 April 2023, for the following information:

I would like to know how much total grant money you have per year to give to community organizations. I would also like information on how the grant money is distributed- which organizations get money and how much does each one get?

This will be very helpful for research I am doing on community organizations.

Thank you and please let me know if you have any questions.

We have processed this request under the Freedom of Information Act 2000.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
