Our ref: 11673364

Thank you for your request received on 23 February 2024, for the following information:

1) From CRM system that you use, please could you do a full system extract (.xlsx or .csv) for any entry that contains the word "flag" that has been reported to you via the web, social media, telephone, or otherwise. This would be the system you use to capture street issues (e.g. potholes, street furniture etc.)

Extract for the period from 1st October 2023 to present. Include all possible column headers that are available. I expect to see 1 row per report received.

Where it's possible, please also ensure "raised" and "resolved" dates are included as a minimum. Please do include all possible columns.

We have processed this request under the Freedom of Information Act 2000.

Response

There was no mention of "flag" on any enquiry received from 1 October 2023

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
