Response

We have processed this request under the Freedom of Information Act 2000. I can confirm that London Borough of Barnet holds the information you requested.

However, we believe that the exemptions detailed below apply to some of this information and this is withheld. Please see the Refusal Notice below.

This information is exempt under S43 section 2 - Commercial interests as the commercial negotiations with Whittington Health are ongoing, therefore we have decided to withhold the information.

Please include contract duration for the 0-19 Healthy Child Programme from the 1st April 2024.

As part of the S75 agreement there is no set term and will be for as long as necessary . This is in compliance with the Provider Selection Regime provisions as per the Delegated Powers report published.

S43 - Commercial interests

We have concluded that this information is exempt under section 43(2) of the Freedom of Information Act 2000 (FOIA) because the disclosure of this information would be prejudicial to the London Borough of Barnet's and partners commercial interests. This is a qualified exemption and the public interest test applies

We have considered the public interest the disclosure of this information. These factors include the importance of transparency in the decision-making process relating to the spending of public money to ensure that procurement processes are conducted in an open and honest way. It is also important for the public to see taxpayers' money being used effectively and public authorities getting value for money.

We have also considered the public interest in withholding this information. If disclosed, there is a strong risk that the Council's bargaining position for the future will be prejudiced and commercial organisations may become reluctant to enter into further free and frank negotiations. This would undermine the Council's ability to fulfil its role effectively and prevent it from achieving the value for money that is so important.

For these reasons we consider that the public interest in withholding the information outweighs the public interest in disclosure.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
