Thank you for your request received on 12 March 2024, for the following information:

BC/002198-01

it's not clear to me why we need the scheme at all. As far as I'm aware there have been no safety incidents on the road.

Pls provide any reports or assessments that have been made requests under the freedom of information rights.

We have processed this request under the Freedom of Information Act 2000.

Response

The only assessment that we have carried out for this road is the ATC (Automated Traffic Counts) to determine the speed and numbers of vehicles that use the road.

The scheme request came through a member who has asked us to consult on the school street based on resident's complaints

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.

Your rights

If you are unhappy with the way your request for information has been handled, you can request a review within the next 40 working days by writing to the Information Management Team at: foi@barnet.gov.uk.
