Thank you for your request received on 17 March 2024, for the following information:

Hello,

The Boundary of Barnet in the West almost exactly follows the A5 road, apart from a part in West Hendon/Welsh Harp when it crosses the A5 into Brent . Why is this part of Barnet, not Brent when it is west of the A5 road, unlike the rest of the borough ?

We have processed this request under the Freedom of Information Act 2000.

Response

While we do not hold definitive information on this matter, this is likely due to historic neighbourhoods and changing population sizes. More information on this can be found at the following links.

Further information

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
