Thank you for your request received on 19 September 2024, for the following information:

I am writing to you to request the following information:

- 1. How many new housing developments are currently paused in your borough? This should include developments where an estate/housing is scheduled for demolition in order to be replaced by new housing, but the demolition has been paused.**
- 2. How much money has been spent on these paused developments by the council so far? Can you please list this as a cost per development.**
- 3. Can you provide the names and addresses of the paused developments?**
- 4. If possible, can you confirm how long each development has been paused for?**
- 5. Are you able to give the total number of new homes these developments would bring into the borough if completed? If so, please provide it.**
- 6. How many of these homes would be social or council homes?**

We have processed this request under the Freedom of Information Act 2000.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
