- 2. Where possible, the amount of miles of cycle routes established in the past 6 years in your local authority area with a breakdown for each calendar year. This time period should include (01/01/2018-01/01/2023) and where possible (01/01/2024-28/10/2024).**
- 3. Where possible, the amount of money spent on cycling infrastructure in the past 6 years in your local authority area with a breakdown for each calendar year. This time period should include (01/01/2018-01/01/2023) and where possible (01/01/2024-28/10/2024).**
- 4. Where possible, the amount of money spent on cycle and scooter share schemes in the past 6 years in your local authority area with a breakdown for each calendar year. This time period should include (01/01/2018-01/01/2023) and where possible (01/01/2024-28/10/2024).**

The definition of cycle route is taken here to be 'A route that cyclists are advised to use to reach certain destinations. The term covers on-carriageway cycle lanes, off carriageway cycle tracks, and any other place where cyclists have the legal right to ride.'

According to the Department of Transport definition "Shared Use Routes" are designed to accommodate the movement of pedestrians and cyclists. They can be created from new, or by converting existing footways or footpaths. Shared Use Routes may be segregated or unsegregated." These will include footways, footpaths, towpaths or any other public right of way in the area. Please include all of the above when counting.

We have processed this request under the Freedom of Information Act 2000.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
