Thank you for your request received on 16 November 2024, for the following information:

Hello,

I would like to find out if the council enforces the London footway parking ban in the part where it concerns private land - for example, shop forecourts that are part of a pavement.

Please supply (a) the guidance provided by the council to its parking-enforcement staff with regard to footway parking on private land, and (b) the number of penalty notices issued in October 2024 for footway parking on private land. (Or parking on private land more generally, if 'footway or not' is unknown).

Thank you.

We have processed this request under the Freedom of Information Act 2000.

Response

The council holds the information requested, please see below

Thank you.

Barnet Council enforces the footway ban in areas which form part of the public highway. Enforcement on private land is down the landowner or an authority appointed by them.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
